PLAN SUBMISSION SPECIFICATIONS

Permit Approval will be issued conditioned upon the following:

- A. Installation shall comply with PennDot Publication 408 Section 704 Guidelines for Cement Concrete contained in Table A Cement Concrete Criteria for Class A Concrete.
- B. Installation shall comply with Chapter 143 of the Schwenksville Borough Codified Code Article II Sidewalk and Curb Standards.
- C. Based on the complexity of the project, a scaled drawing indicating number and location of blocks and/or driveway aprons and/or curbing to be installed.
- D. If repair other than replacement, specifications for proposed repair and proposed methodology.
- E. Depending on the complexity of the project, a scaled drawing indicating all utility and stormwater conflicts may be required.
- F. Handicapped ramps must be installed as a PennDot ADA approved ramp. Plans should indicate design detail sufficient enough to verify compliance with current standards.

DIRECTIONS TO PERMITEE

- A. A PA-1 Call Notification is required before digging.
- B. No work shall commence until 24-hour notification is provided to Schwenksville Borough at 610-287-7442.
- C. Permit is valid for thirty days.
- D. Applicant must call for inspection of the forms **BEFORE CONCRETE IS POURED AND AFTER CONCRETE HAS CURED. Please call 610-287-7442 24 hours in advance, Monday-Thursday 9:00 AM to 5:00 PM.**
- E. **If public parking and/or traffic is to be obstructed during construction, permission must be obtained from Schwenksville Borough.**
- F. All construction debris and materials must be cleared and removed within 24 hours of cessation of construction.

I hereby certify that I have reviewed Chapter 143 Article II of the Schwenksville Codified Code and the Schwenksville Borough Fee Schedule. I understand that if resubmissions and re-inspections are necessary, additional costs may require additional escrow money to be posted with Schwenksville Borough. I understand that construction activities shall commence prior to issuance of a Sidewalk/Curbing Permit by Schwenksville Borough. **I understand that said permit with applicable approved plan is to be displayed on site at all times during construction activities.** I understand that the work shall be done in full compliance with the ordinances of the Borough and shall well and truly save, defend and keep harmless the Borough from and indemnify it against any and all actions, suits, demands, payments, costs and charges for or by reason of the proposed opening or excavation, and all damages to person or property resulting in any manner therefrom, or occurring in the prosecution of the work connected therewith, or from any other matter, cause or thing relating thereto.
