

The Time is Now

Exciting changes are occurring in the Borough and you can contribute by purchasing a Donor Brick that will be incorporated permanently into the design of the Pedestrian Square and Information Kiosk by the new boat ramp entrance at Meadow Park.

There is a short time frame for the 2018 Campaign because the construction has already begun! This is your first chance to get involved with the revitalization of our community and become a part of the legacy.

**Become a
Revitalization Partner.
Donate a brick.**

Schwenksville's Revitalization Plan

In 2017 the Borough Adopted a Main Street Streetscape Plan and Design Guidelines to complement and assist with achieving the goals contained in the 2010 Community Revitalization Plan.

The Borough has aggressively **sought out grants and partners to help finance the** community improvements to improve the quality of life for residents and encourage civic pride and business investment. A key component to the Borough's Revitalization efforts is gaining the support and participation of its residents. Our success will be measured by how our residents support our efforts and buy into them—both literally and figuratively.

This donor brick program is the first of several campaigns and means to engage residents and offer ways for you to become a partner in the improvements. Opportunities will include larger investments for businesses and organizations and memorials.

Please follow us on facebook at <https://www.facebook.com/Schwenksville-Borough>; check our website frequently at www.schwenksville-pa.org and sign up for our e-newsletter by sending us an email at info@schwenksville-pa.org and requesting to be added to the distribution list.
